

Aerial Sensor Operator – Philadelphia, PA

Keystone Aerial Surveys is a leading airborne data acquisition company. We are currently seeking a full-time **Aerial Sensor Operator** at our headquarters in Philadelphia, PA.

As an Aerial Sensor Operator, the candidate will learn to understand complex principles of aerial photography and photogrammetry by providing QA/QC of acquired imagery, GIS Tasks and general office duties while supporting a pilot in flight planning

Qualified applicants must:

- be willing to fly/travel in 7 to 30-day time spans away from Philadelphia – **[This position requires travel up to 80%]**
- have strong proven technical and/or computer skills (preferably previous GIS and/or Photography experience) capable of learning advanced software programs
- hold a valid driver's license
- have the ability to lift 50 pounds intermittently; sit for long periods of time in a small aircraft
- possess strong communication skills, both verbal and written with strong attention to detail.
- be able to demonstrate confidence, professionalism, high self-motivation, and possess solid decision-making abilities.
- show ability to work a flexible schedule, including weekends and holidays
- have or be capable of obtaining a passport

Preferred education/experience:

- BS/BA degree in Geography, GIS, Engineering, Geology, Photography or another related field **OR**
- 2-5 years of experience in Aerial Survey, Aviation, GIS/Remote Sensing, or Land Surveying; **OR**
- a combination of education and experience.

Compensation: \$12.00 - \$16.00/hour (depending on experience)

Benefits:

- An opportunity to see different parts of the US
- Paid in-service per diem, hotel & car accommodations
- Healthcare coverage (including medical, dental, vision & prescription)
- 401(k)
- Paid Time Off (with the ability to earn additional "field awarded paid time off hours")

Why work for Keystone? We offer an opportunity to travel cross country with top-notch pilots while capturing breathtaking aerial photography. Keystone's fleet consists only of high performance aircraft, mostly multi-engine. Our projects may require our crews to travel extensively anywhere around the United States. If you are confident that you possess the aptitude and qualifications to work for Keystone, please send your cover letter and resume to resume@kasurveys.com – tell us why you should be working at Keystone!

Keystone is an Affirmative Action/Equal Opportunity Employer. Qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, disability or protected veteran status.
