

AIRCRAFT MECHANIC

Keystone Aerial Surveys Inc. (KASI) is a leading airborne data acquisition company. We are currently seeking an **Aircraft Mechanic** to perform precise aircraft repairs as required of our fleet. The successful candidate will be accustomed to taking pride in their work, maintaining a safe and clean work space and committed to doing things right the first time.

An ideal candidate will have the ability to work in a fast-paced, deadline-oriented environment. He or she must be able to execute routine maintenance services, problems solve and effectively communicate aircraft repair concerns/recommendations to the Director of Maintenance with confidence, professionalism, and high self-motivation.

Required Experience:

- Education: High school diploma or equivalent required.
- Licensing/registration/certifications:
 - Required: **Valid driver's license**
 - Preferred: **FAA Airframe and Powerplant Technician license** and FAA Inspection Authorization.
- Experience:
 - Required: **One or more years' experience in aircraft maintenance**
 - Preferred: **Experience in aircraft maintenance working on multi-engine aircraft with reciprocating engines and/or turbo props.**
- Knowledge, Skills, and Abilities:
 - Ability to read and **interpret documents** to carry out instructions furnished in written, oral, or diagram form coupled with the ability to write routine reports and correspondence.
 - Ability to **calculate figures** and amounts such as proportions, percentages, area, circumference, and volume. Ability to apply concepts of basic algebra and geometry.
 - Ability to operate sheet metal equipment and tooling using basic hand and air tools.
- Open to a flexible schedule, including travel overnights to remote locations or other Keystone facilities.
- Physically be able to stand for long periods of time, kneel/squat/crawl and bend intermittently in tight or small spaces and be able to lift 75lbs with regularity

Compensation: Hourly paid position, depending on experience

Hours: 40+ hours per week – Mon through Fri 7am to 3:45pm

Benefits: Medical, Dental, RX and 401K
